## League Scoring: Traditional 21 League

- > Bags must land and stay on the board (without touching the ground) or go completely through the hole to score.
  - A bag on the board surface = 1 point.
  - A bag in the hole = 3 points.
- > Points cancel each other out.
  - For example: The Red team has 3 bags on the board (3 points) and 1 bag in the hole (3 points) totaling 6 points.
  - The Blue team has 3 bags on the board (3 points) and 1 bag off of the board (0 points)
  - The Red team wins the round with 3 points (6 points minus 3 points).
- > The first team to 21 points wins the game.
- > Knocking an opponents bag off of the board is legal.
- > A bag that bounces from the ground onto the board surface is disqualified and removed before the next throw.

## League Format: Applies to Doubles/Singles

- > Play one match per team or player in an outing
- > 1 match = 3 games
- > Games are scored with Traditional 21 scoring (negation scoring)
- > Winner of best of three games wins the match
- > 1 league point is given for:
  - Each game won within a match
  - Winning a match

## AN EXAMPLE:

- > Game 1: Bailey Geers 21 - Max Charles 19 (one point BG)
- > Game 2: Bailey Geers 19 - Max Charles 21 (one point MC)
- > Game 3: Bailey Geers 21 - Max Charles 13 (one point BG)
- > Match winner Bailey Geers (one point BG)
- > Bailey's league points: 3 (2 for games; 1 for match)
- > Max's league points: 1 (1 for game)

Average match is 45 minutes (3 games per match)
